## **About Vet Fest 141**

Vet Fest 141 Foundation is a 501(c)(3) nonprofit dedicated to honoring veterans and those who serve through the power of live music, community, and shared experiences.

As Vet Fest celebrates its 10th Anniversary in 2026, the mission remains as strong as ever: bringing people together to honor those who serve and have served, give back, provide veteran support and awareness, and create meaningful experiences that recognize our military and first responders.

## **Built on a Simple Idea**

Founded on a simple but powerful idea - bringing people together and giving back. Vet Fest creates high-energy live music events that are open to everyone, while keeping support for veterans, active-duty military, and first responders at the center of everything we do.

## **The 1-for-1 Mission**

At the heart of Vet Fest 141 is our 1-for-1 giving model. Every ticket purchased helps create a shared experience: one for the guest attending and one in honor of those who have served.

Through this mission, we work toward providing complimentary tickets for veterans, active-duty military, police, and fire personnel, ensuring they are recognized, included, and celebrated in a meaningful way.

## **More Than a Concert**

Vet Fest is more than just a concert. It's a community-driven celebration of service and gratitude, while providing veteran support and awareness.

Each event brings the community together, welcoming everyone while honoring veterans, active-duty military, and first responders in an environment built on respect, appreciation, and connection.

Through the power of live music and shared experiences, Vet Fest creates meaningful moments of connection, joy, and appreciation for those who serve, while giving people a place to come together, relax, engage, and be part of something bigger.

Every ticket helps create a shared experience that gives back to those who serve - one ticket at a time.

## **Beyond the Stage**

Beyond the stage, Vet Fest 141 continues its mission by supporting veteran-focused causes, partnering with local organizations, and creating opportunities to give back throughout the year.

**Vet Fest 141 is powered by donations and its Buy One for a Vet<sup>®</sup> mission.**

- Everyone is welcome.
